Additional Items.

- * For the New Year's Potluck on 1/1/10, let Lynne know if you are free to join and what type of food item you would like to bring. If you get your food at Sam's Club, please coordinate with others so we don't have 20 plates of the same salad.
- * Letter from Universal House of Justice dated 12/15/09. All are strongly encourage to read this communication.
- * "Blurb from Janet". The Macy's Teaching Team meets to evaluate the firesides held on the 2nd Friday of each month. Ideas generated include:
 1. Open each fire with a prayer
 2. Need to get word out. Fliers to advertise the fireside are available at Macy's at least one week prior to the program. All are invited to take some to distribute in their area.
 3. Infusing the arts: Seeking artists who wish to facilitate the firesides at the coffee house. This can include music, visual art, poetry, etc.
 4. We encourage the ideas from youth to bring some young blood into the discussion.
